this book discusses buying a property for the sole purpose of remodeling it to resell commonly known as flipping this practice has been

made popular by recent diy programs on tv that tend to glamorize the process but make no mistake the process of house flipping is hard work very stressful and requires a lot of money and skill there are a couple of reasons why a person might want to flip a house the first reason is it is a historical or classical building and a person wants to do the project for the love of the building the second reason is to make money i believe 99 or more fall into the latter and this book deals with this i will guide you through all the steps in buying your property the remodeling process and finally selling the project to make big profits i go into every granular detail as i have been there and done that dozens of times don t start a house flip without reading this book includes mobile homes and rental property
